Church: yea... well, in any case we have to get him out.

Doc: hey, you know who could help? The reds!, I mean, Omally is our common enemy, I'll call them now!

Church: uuh huh, sure Doc whatever... hey wait a second... NO DOC, STOP!

Doc: Hello Red base? Sarge:Hello?

Simmons- great job sir, and don't your eyes look red today

(phone dies) static

Doc: oh my goodness, I forgot Im sorry.

Church: wait a second... why is caboose still acting like...Omally isnt gone?!

(_sister, donut, and simons show up_)

Sister: Hey blue team, the sargent just went on a rampage and killed my brother, can we spend a few nights with you?

Tucker: Hey sister, you can spend as many nights with me as you want, Bow chika bo...(sees Tex's glare) AAH I can't say my phrase anymore!, Im getting bow chika back up!

Tex: Well, sister, it looks like your going to have to, at least untill we figure out what happened to your sargent.

Doc: umm I don't think that will take long.

(_Sarge runs up to the group with a barely breathing Griff over his shoulder whom he throws towards sister, then a ghost pops out of sarge and runs into Caboose who falls over, then the ghost runs into the cave by blue base_)

(_everyone runs to caboose as he gets up_)

Doc: Caboose are you ok? do you need anything?
